K. U. FOOTBALL TEAM IN TRAINING. Forty Candidates Present Themselves for Places on the Eleven.

LAWRENCE, Sept. 7 .- About forty candidates for places on this year's Kansas university footbail team met on McCook field yesterday afternoon for the first practice of the season. There was some splendid material on hand and there is every indication that there will be plenty of men from which to choose the strongest eleven the university has ever had.

Manager Moody, Physical Director
Cowan and Capt. Williamson were on the ground, with a number of others interested in the selection of a winning team.

Fearing that he will be hurst debarked from the steamer Geracquitted in a new trial the Californians manic today he talked freely to an Associated Press reporter concerning the results of the police trials in this city. The dismissal of four captains and a greater number of sergeants and ward men, Dr. Parkhurst said, was in the interest of reform.

"But," he continued, "I do not think that they were the most guilty ones in the department. The police commissioners are the arch criminals. Of course, I do not refer to the commissioners who country of the burned territory. have recently been appointed. I speak directly, though, of Martin, Sheehan and McClave. These men must have known of the corrupt practices of the captains they have disciplined before I did. If they did not, they were negligent in the performance of their duty." "Are you ready to present more evi-
